

Adoption of Alanganallur Village in Madurai District on 14th September 2017

Under the Village adoption Scheme the Centre for Tourism and Hotel Management along with Centre for Film & Electronic media Studies have jointly adopted Alanganallur Village in Madurai District on 14th September 2017. Students Co-ordinated with the Government Higher Secondary school and Village Administrative Officer to undertake cleaning activities in the public places. The importance of Rural Sanitation was explained by the Faculty Members and staff and students were involved in cleaning activities. In order to make Madurai as a Green City and Environment Friendly, the students planted 500 saplings in the village. The students were also given responsibility to water the plants at the frequent intervals and to preserve them.
