#### THE VICE-CHANCELLOR'S MESSAGE

Dear Students.

As the Vice Chancellor, I extend a warm welcome to the new students on behalf of the members of the Faculty, Staff, and Administration of Madurai Kamaraj University. They have just become part of a university with tremendous positive momentum.

The MKU's moto is to prepare our students to be 'the seekers of truth'. The University is committed to the holistic development of the students that is reflected in the quality of teaching, intensity of research, and mentorship of the University faculty and staff.

Universities are defined by their students, and great universities are defined by the progression of their students. MKU is known for teachers and scholars who bring new energy, ideas, perspectives and partnerships to our students, to each other, and to the university. I would like to tell the students, 'this is your university'. I encourage you to get involved and bring your ideas and experiences to the forefront.

The faculty and staff will guide you through the course work that is outlined in the pages of this CBCS hand book. The lecture or on-line classes, seminars, assignments, laboratories, social media groups, peer team teaching, internships and research projects are only a portion of your overall educational experience. You will be challenged by a variety of pedagogical approaches by the MKU faculty who are active scholars in their respective fields.

MKU students are expected to be active participants in this scholarly activity which will contribute to your intellectual and professional growth. Community engagement, citizenship, ethics, leadership, and the development of effective communication skills are integral components of the MKU experience. A general education in the arts, humanities and sciences along with the depth of knowledge in your field of study, will prepare you for success in an ever changing world.

You will be exposed to many curricular and extra-curricular activities that will contribute to your individual growth. Take this time in your life to experiment with new activities and get out of your comfort zone. All of us are dedicated to helping you make your learning journey a great success and your MKU experience one of excitement and continuous discovery.

Prof. Dr. M. Krishnan Vice Chancellor

#### Message from The Coordinator, CBCS.

I am pleased to welcome you to Madurai Kamaraj University. I hope you will take a moment to read this hand book, which paves a path for future opportunities and influence. We offer a great many support systems to assist you; so please do not hesitate to ask for help and advice.

Each of the sections in the Administrative wing, along with your parent department and mentor, MKU staff are ready and willing to provide help and support. Your success is our discursive tool. It contributes directly to ensuring a vibrant, dynamic and highly relevant Madurai Kamaraj University for all of us.

Today, you are among the newest members of the MKU community — a community joined together by a strong commitment to diversity, equality, inclusion and mutual learning.

We look forward to meeting each of you over the coming months. The CBCS office will be reaching out to you during the academic year to guide you through the course work. In the meantime, I wish you the best as you make a smooth transition to MKU – thank you again for joining us!

Dr. T. Dharmaraj Coordinator, CBCS

#### MADURAI KAMARAJ UNIVERSITY

#### **A PROFILE**

Madurai Kamaraj University is a land mark in the historical and cultural city of Madurai, which was once the capital of the ancient Pandya Kingdom.

Madurai Kamaraj University (MKU) has spread its wings in this traditional city of Temples and city of Jasmines to soar great heights in the field of higher education.

Madurai Kamaraj University is marching towards its 54<sup>th</sup> year. It has an all-time active *golden* academic record of accomplishments and achievements to its cap. MKU has blossomed forth into a full-fledged academic institution after having passed through acid tests of accreditation. It is now one of the fifteen universities in India with the status of *University with Potential for Excellence* accorded by the University Grants Commission.

The commencement of Madurai Kamaraj University was initiated through a bill passed in the Legislative Assembly of the State in 1965. Madurai Kamaraj University is a statutory University owned and funded by the Government of Tamil Nadu. This University with potential for excellence is a member of Association of Indian Universities.

The present Manonmaniam Sundaranar University, Alagappa University and Mother Theresa University are all off-springs of Madurai Kamaraj University. Madurai Kamaraj University caters to the educational needs of four districts of Madurai, Virudhunagar, Dindigul and Theni with its regular academic programmes.

In addition to a total of 77 Departments and 20 Schools, Madurai Kamaraj University has 21 academic centres and 21 quasi academic supportive units. Madurai Kamaraj University paves way for higher education and research to a large number of students from rural and urban areas.

Madurai Kamaraj University offers 54 post-graduate programmes, 42 M. Phil. programmes, 2 five year integrated masters programme and 18 Diploma / P.G. Diploma / Certificate programmes in the University Departments.

The University has a modernized Central Library with more than 3 lakhs books, 7,500 e-journals and 9,000 e-books. The one Gbps internet connection, INFONET centre with 40 nodes and smart class rooms have enriched the ICT enabled teaching and learning.

Madurai Kamaraj University believes in de-centralized and participatory governance. As a visionary step, academic and administrative autonomy has been granted to Schools, which is to be reviewed by the Syndicate every year.

#### Location

The University is located on the Madurai-Theni highway at a distance of about 13 kms away from the city of Madurai in a sprawling campus of 528 acres at the foot hills of Nagamalai.

#### Students' Welfare measures

Madurai Kamaraj University gives top priority to students' welfare and it aims at providing a student-friendly learning atmosphere.

Students Support Service

The Student Advisory Council meets once a month to discuss the requirements of the students, relating to their studies in the University Campus.

Grievance Redressal Cell

The Grievance Redressal Cell was commissioned in the University during June 2008. It has been functioning successfully, attending to the grievances of the students like non-receipt of Certificates, Revaluation, etc. (in person, through post, phone and e-mail services). It is held at Dr. Mu. Va. Arangu, MKU on the third Wednesday of every month from 10.00 a.m. to 01.00 p.m. and the meet is attended by the Vice-Chancellor, Registrar, Controller of Examinations, Dean (College Development Council), Special Officer(s), Research Coordinator(s), UPE Coordinator, Students' Welfare Officer and other Officers of the University.

#### ➤ Modern Students Amenities Centre (MSAC)

The University has more than 2500 students in the campus. The MSAC ensures the availability of services such as typing, xeroxing, lamination, scanning, binding and internet browsing etc. in the campus itself. At present, MSAC is functioning with 25 computers, 3 photocopier machines, printers and scanners. The facilities of MSAC are widely used by the students, research scholars and the public visiting the University.

#### Differently Abled Students

An Air-conditioned Centre for Differently Abled Students at Dr.T.P.M. Library has been functioning for Differently Abled Persons with an access to the reading materials and assistive technology for special needs in higher education. The students have an easy access to the Library through the ramp for navigation to various sections with wheel chairs. The Library has reading resources as books in Braille, Audio, E-Text and access to INFONET through internet accessible computers with screen reader facilities. The Centre also has Talking Typing Tutors for those are new to computers.

Fee concession is provided for the physically challenged students of P.G. and M.Phil programmes offered by the University Departments.

#### ➤ Anti-Ragging Committee

The Anti-Ragging Committee has enforced stringent norms against ragging in the University premises. The committee chaired by the Vice-Chancellor, Civil/Police Administrator, Local Media, NGO, Faculty members, Non-teaching staff, Parents and Students representatives.

#### ➤ INFONET Section

This Section is open to visitors on presentation of his/her Identity card and on payment of paying Rs.10/- per hour for Internet access. This section is fully air-conditioned with 50 terminals and sophisticated facilities.

#### Insurance Policy

Group Insurance Policy for Personal Accident coverage is available for all students Madurai Kamaraj University.

#### **Endowments**

Several Medals and Prizes for University Rank holders are awarded under various Endowments instituted in our University to motivate the meritorious students.

#### Soft Skill Programmes

In tune with the vision and mission of the University, various soft skills / skill-based / supportive courses have been introduced as a part of the curriculum.

#### Language Laboratory

Any language can be mastered by consistent listening. Language Laboratory consists of hardwares and softwares to learn languages like French, German, etc.

#### Dr. T. P. M. Library

The Library of Madurai Kamaraj University was established on 1st February 1966. The University of Madras Extension Centre Library was renamed as the Madurai University Library. To cater to the growing needs of the new University, a spacious building was declared open during 1973 by Thiru V.R. Nedunchezhiyan, the then Pro-Chancellor of the University. The library was constructed with the financial assistance by the UGC and the Government of Tamil Nadu. The University Library functions under the name "Dr. T. P. Meenakshisundaranar Library" after our first Vice-Chancellor.

#### Working Hours

Url: https://shodhganga.inflibnet.ac.in/handle/10603/7760

#### **RFID Technology**

RFID (Radio Frequency Identification) is a combination of Radio Frequency based technology and microchip technology. RFID tag is attached to all the books in the library. The tag is integrated with the existing library Information System. The main feature of RFID technology is that there is no need to key-in/type the book details for issue & return. As soon as the book is placed on top of the circulation desk, the RFID reader will automatically collect the data and process the transaction. Based on the RFID technology Self issue/return of books can be done and the features can be expanded in near future for stock verification (with the help of a separate handheld RFID device). Madurai Kamaraj University is the first of its kind among the State Universities to implement this technology in the year 2014. Dr.T.P.M Library has enhanced this facility to implemented with Automatic issue/return of Library books Madurai Kamaraj University is the first of its kind among the South India to implemented this Technology in the year 2018.

#### International Education Cell

The International Education Cell is functioning with the aim of making the University go global and enriching experience for foreign students and scholars.

#### SC/ST Cell

The SC/ST cell of Madurai Kamaraj University started functioning from the year 1985 with the objectives of strengthening and monitoring the implementation of Government Schemes, both central and state, and also with the guidelines of the University Grants Commission for providing facilities to SC/ST students. It has also helped in receiving Post Metric Scholarship and Higher Education Special Scholarship, Prize money award, and also merit Scholarship meant for SC/ST students from the Adi Dravidar Welfare Department of Tamil Nadu Government.

#### **Central Instrumentation Centre**

In order to keep all instrument facilities under one roof for access by researchers from all disciplines, UGC has sanctioned a Central Instrumentation Centre. The Central Instrumentation Centre (UPE) at Madurai Kamaraj University has been constructed from UGC-UPE funds at an estimated cost of Rs. 4.00 crores. The building is composed of approximately 2500 sq.ft. and has an auditorium with centralized A/C (to accommodate more than 500 people), two common instrumentation rooms (to house equipments costing Rs. 9.00 crores), two smart class rooms, a library, a computer room (accommodating the

Students Amenities Centre consisting 50 computers with internet facilities), a conference hall and office room.

#### **Complaints Committee for Women Harassment**

To prevent and redress the sexual harassment of working women in the campus, the Complaints Committee consisting of faculty members, administrative staffs and NGOs, has been constituted. The committee will address the complaints whenever necessary.

#### **Equal Opportunity Cell**

The objectives of the Equal Opportunity Cell functions to sensitize the students on various social issues viz., employment opportunities for youth, social inequality and discrimination based on caste, class, gender, etc.

#### **Placement Cell**

The Placement officer identifies the job potential for the students in their respective disciplines. The respective School/ Departments also explore the possibilities of job opportunity for their students. The same is brought to the knowledge of the Placement Cell so that the Placement Cell could approach the respective Organizations for recruiting the students.

#### National Academic Depository (NAD) Cell

NAD cell is a part of Digital India Innovative Government of India. NAD cell provides the NAD services for the students of Madurai Kamaraj University and its affiliated college / institution. NAD cell digitizes all types of certificates and mark statements issued by University. The digitized certificates are authenticated, uploaded and maintained in depositories of the UGC. Students and employers may be using these authenticated digitized certificates for safe keeping, downloading and verification. Further NAD cell also provides e-Sanad services for the Ministry of External Affairs.

#### CHOICE BASED CREDIT SYSTEM

#### (CBCS)

# PROGRAMME& REGULATIONS (P.G &M.Phil. Programme for University Schools / Departments/ Centres)

The Choice Based Credit System was introduced in the University Teaching Departments from the academic year 1999-2000 and suitably modified as per recommendations of TANSCHE in 2008-2009. From 2014-2015, uniform framework has been evolved and implemented. From 2018, we have implemented Outcome based education (OBE) in all the PG and M.Phil Programmes.

#### Regulations

- 1. The regulations formed herein shall apply to all post graduate programmes and M. Phil. programmes conducted by Schools / Departments of the Madurai Kamaraj University.
- 2. The following terms regarding these regulations may kindly be noted:
- "Academic Committee" means the Committee constituted under the CBCS regulations.
- "Post-Graduate Programme" means a Master's degree. The term excludes M. Phil and Ph.D.programmes. A P.G. program or a M. Phil. programme can be offered by an individual Department/School/Centre.
- "Integrated Master Programme" means a 5-year combined U.G-P.G programmes in B.Tech-M.Tech in Film and Electronic Media Studies offered by the Centre for Film and Electronic Media Studies and B.B.A.- M.B.A. in Tourism and Hotel Management offered by Centre for Tourism and Hotel Management.
- "School / Department Council" means the team of teaching faculty and one or more experts from outside (including Subject experts from other Universities/ Research institute/ Industry/ Corporate/ Government/ Public sector / reputed NGO and Alumni). The Council is a statutory body and will have the necessary powers of the Board of Studies and the Controller of Examinations. The Chairperson of the School or the Head of the Department will be the Chairman of the Council. The Chairman will convene the council meeting and look after all the matters related to the implementation of the CBCS scheme. The Chairman may nominate one of the teaching faculties as the Controller of Examinations so as to look after the conduct of the Examinations. A Centre or any recognized body of the University with the permission of Syndicate may offer a PG programme with its own teaching faculty and / or one or more experts from outside the center. Here the Centre Council will have the same status as School / Department Council.
- "Core Course" means a course that is offered by the parent Department / School / Centre and this will form the major component of the subject matter of the Programme. This cannot be substituted by any other course.
- "Elective Course" is a course offered by either the parent Department / School / Centre or other Department / School / Centre. The student has the choice in selecting a particular elective course.
- "SSS Course" (Soft Skill/ Skill based/Supportive course) is meant to enhance the communication, personality and professional competency of each student. These courses are offered by competent departments/schools/centres. SSS courses will be of two levels (basic and advanced). Each student must take at least one SSS course in each semester. To opt for the advanced level SSS course, successful completion of same course at basic

level is mandatory. A student cannot register for a SSS course offered by the parent or closely related department/school/centre.

"Self-study Course" is a course offered by the parent department. The student may be allowed to choose additional courses, enabling him to acquire extra credits through self-study (This course is not to be taken into account for awarding grades/class).

"Internship": Students can opt for training program in an appropriate industry / corporate / government or public sector / reputed NGO / research institute for a minimum of one month and a maximum of six months. Prior registration is mandatory for internship through student advisor/programme coordinator with the permission from the consent organization where he/she will undergo the internship. Submission of report on the learning / project work during the internship is required and the same shall be evaluated for grading.

"Auditing": Students are permitted to audit a maximum of two courses without assigning any credits. It is left to the discretion of the course teacher / individual faculty member to permit students.

The "Student Adviser" nominated by the Chairman of the School/ Department Council will give counseling and appropriate guidance to the students in selecting their elective courses and soft skill and supportive courses by understanding their aptitude, capability, etc.

#### Registration

- 1) Every School/Department will have faculty members as students' advisors. The School /Department Council shall fix the number of students to be counseled by each faculty member. The student advisor will advise the student about the academic program and counsel on the choice of courses depending on the student's academic background and objective. The student will then register for the course he/she plans to take for the semester before the commencement of the classes. The student has to complete the pre-requisites for the course prescribed by the advisor concerned.
- The University, on recommendation from the School/Department council shall prescribe the maximum number of students in each course taking into account the infrastructural facilities available.
- 3) The University shall make available to all students this CBCS handbook, listing the entire courses offered in every semester specifying the credits, the pre-requisites, the list of topics, the course contents, the name of the course teacher, the time and place of the classes for the course and the examination schedule. - The minimum duration for completion of a one-year Master Programme in any subject is two semesters. The maximum period for completion is six semesters counting from first semester.
- > The minimum duration for completion of a two-year Master Programme in any subject is four semesters. The maximum period for completion is ten semesters counting from first semester.
- > The minimum duration for completion of a three- year Master Programme in any subject is six semesters. The maximum period for completion is twelve semesters counting from first semester.
- > The minimum duration for completion of a five-year integrated Master Programme in any subject is ten semesters. The maximum period for completion is twenty semesters counting from first semester.
- Even if a candidate earns the required number of credits in less than 4/6/10 semester, he/she has to necessarily study for 4 semesters for the two years Master programme, for 6 semesters for a three years Master programme and for 10 semesters for a five-year integrated Master programme.

#### Course duration:

Theory : 1 credit = 1 hr Lecturer

Practicals

Project : 1 credit = 2-3 hrs

Field work

#### **Evaluation Process**

- Each end semester examination shall be conducted by the concerned the Department / School / Centre for all the courses run in the School / Centre.
- 2) The student who failed in a course may appear for end-semester examination in the respective semester, when the course is offered next time.
- 3) In addition, a supplementary examination shall be conducted in July every year only for out-going students who fail in a paper(s). However, no supplementary examination will be conducted at the intermediate stage of the course i.e. after 1<sup>st</sup>/2<sup>nd</sup>/3<sup>rd</sup> semester for a 2-year PG program, 1<sup>st</sup>/2<sup>nd</sup>/3<sup>rd</sup>/4<sup>th</sup>/5<sup>th</sup> semester for 3 year program and 1<sup>st</sup>/2<sup>nd</sup>/3<sup>rd</sup>/4<sup>th</sup>/5<sup>th</sup>/6<sup>th</sup>/7<sup>th</sup>/8<sup>th</sup>/9<sup>th</sup> semester for 5 year program. All the out-going one-year PG and M.Phil students will be allowed to appear for supplementary examination, but not the earlier batch students. Except the outgoing students (every year), all other students (including who are completed the course and not passed the course, having arrear in a paper) are not eligible to appear for supplementary examination.
- 4) The Questions for core papers and elective papers shall be set by external / internal examiners.
- 5) Evaluation of all semester examination shall be done by the course teacher along with the other faculty members in charge of the course.
- 6) For the theory papers, the marks for continuous assessment shall be 25% and marks for end semester examination 75%. For the practical papers, the marks for continuous assessment shall be 40% and marks for end semester examination 60%.
- 7) All rules regarding the transparency of internal assessment should be strictly observed by the course teachers and the schools. Supportive documents for the internal assessment shall be maintained at least for four semesters. It may be noted that the internal assessment is done throughout the semester.
- 8) There shall be three written tests in a semester. The continuous assessment (25%) shall comprise the best two written tests (15%), assignment (5%) and seminar (5%). Regarding the test, three tests are to be conducted for 25 marks, out of which the best two will be taken. The candidate should attend at least two tests and one seminar for each paper.

#### Note:

In case, a student has failed to attend at least two tests, he shall write the re-test(s) so as to become eligible to appear for the final examination.

9) The Chairperson of the School shall display the provisional results of the students as approved by the School/Department Council within two weeks after the examination. To ensure transparency, the photocopy of the answer scripts shall be made available to the students who are not satisfied with the marking, on payment of Rs.100/- for scrutiny. The student can seek clarification from the course teacher /Student advisor, regarding the evaluation of scripts within three days of publishing the provisional results

in the School notice board. If any student has complaints about the evaluation, the same may be submitted to the Chairperson of the School in writing for reassessment along with the fee of Rs 100/- within a week after the publication of the provisional result. The student will be then asked to meet the School/Department Council. After hearing the views of the student as well as the course Teacher /Student Adviser, if the School/Department Council is convinced of the student's grievance, the Council shall nominate one of the members present in the meeting to reassess the paper. The marks awarded by the second examiner will be final.

10) The School/Department Council will prepare two copies each of the result sheets – including break-up for each semester and sectional categories – and send one copy to the University and retain the other copy in the School. After confirmation of the results of the examinations, the marks obtained by the candidate shall be sent to the Choice Based Credit System office for issue of mark statements, certificates etc.

#### **Evaluation**

Marks scored between	<u>Letter Grade</u>
95 and 100	O+
90 and 94	0
85 and 89	D++
80 and 84	D+
75 and 79	D
70 and 74	A++
65 and 69	A+
60 and 64	A
55 and 59	B+
50 and 54	В
0 and 49	U*
ABSENT	AA

U indicates "Reappear" in that course.

There is no passing minimum for all internal evaluations. However the student should undergo the continuous assessment process for the internal evaluation (by writing tests/assignments, etc.) The passing minimum for the external evaluation (45%) is as follows:

Theory examination : 34 out of 75 marks
Practical : 27 out of 60 marks

#### Marks and Letter Grade

To get a pass in a course, students should obtain a minimum of 50 marks in the aggregate of the internal and external evaluations. The performance of a candidate in each course is consolidated at the end of the semester in which the course is offered. The marks scored by a candidate in each course will be graded into an eleven-point scale as per the details provided below:

#### Grade point

The marks obtained by the student in all the courses of each Part shall be combined by giving due weightageto each course so as to get an overall measure of his/her performance. For this purpose the mark obtained in a course will be converted to a numerical value known as Grade Point which is defined as

Grade Point = Actual Mark X 0.1

For instance, if the score is 83 then his Grade Point is 8.3.

#### Grade Point Average

The weighted average of the Grade Points of all completed courses in a semester by taking the credits as weights is called Grade Point Average. This shall be computed for courses in each Part of a Semester. In other words, for each Part,

GPA= (Sum of the products of the Grade point and the respective credit of all completed courses) / (Sum of the credits of these courses).

Mathematically, for each Part,

$$GPA = \frac{\sum_{j} C_{j} (GP)_{j}}{\sum_{j} C_{j}}$$

where (GP); is the grade point for course j

C<sub>i</sub> is the credit for course j

 $\sum_{i}$  is the sum over all courses of that semester.

#### **Cumulative Grade Point Average**

The Cumulative Grade Point Average gives an overall measure of the performance of a student in all semesters. This shall be calculated for each part by dividing the sum of products of Grade Point and the credit (of all completed courses) by the sum of the credits (of these courses). In other words, the weighted average of the Grade Points of all completed courses in a program by taking the credits as weights is called Cumulative Grade Point Average. That is,

CGPA= (Sum of products of the Grade point and the respective credit of all completed courses) / (Sum of the credits of these courses).

Mathematically, for each Part,

$$CGPA = \frac{\sum_{j} C_{j} (GP)_{j}}{\sum_{j} C_{j}}$$

where (GP)i is the grade point for course j

C<sub>i</sub> is the credit for course j

 $\sum_{i}$  is the sum over all courses of that semester.

#### Classification

For each programme, the overall performance of the candidates shall be classified on the basis of the CGPA obtained as per the details given in the following table. The class of the students is specified based on the Grade and CGPA.

CGPA lies between	Grade	CLASS
9.50000 and 10.0000	0+	
9.00000 and 9.49999	0	
8.50000 and 8.99999	D++	
8.00000 and 8.49999	D+	
7.50000 and 7.99999	D	
7.00000 and 7.49999	A++	FIRST
6.50000 and 6.99999	A+	
6.00000 and 6.49999	А	
5.50000 and 5.99999	B+	SECOND
5.00000 and 5.49999	В	SECOND

#### Mark Statement

- The CBCS Office under the seal of the University shall issue to the students a mark sheet on completion of each semester.
  - a) Title of the Course
  - b) The credits associated with the course
  - c) The marks secured by the student for each course
  - d) The letter grade for each course, and Grade point average for each semester
  - e) The total credits earned by the student in that Semester.
- 2) The CBCS Office also shall issue to the students a consolidated mark statement with signature of the Controller of Examinations on successful completion of the course.
  - a) Title of the course
  - b) The credits associated with the course
  - c) The marks in percentage secured by the student for each course and the corresponding grade point.
  - d) The total credits earned by the student in all Semester / Trimester.
  - e) The cumulative grade point average and the class secured.
- 3) The mark sheet issued at the end of the final semester shall contain the details of all the courses taken. This shall include the titles of the courses, the credits associated with each course, the marks and the final class in which the student is placed.
- 4) In the case of those who do not complete all the course components, it will be indicated in the mark sheet as not completed. However, students will be permitted to complete the course with the concurrence of the Chairperson of the School with prior approval.
- 5) Those who fail in a particular course in any of the semester shall be permitted to reappear for the course in the supplementary examination conducted in July every Year.

#### M. PHIL COURSES

Program Duration : 2 Semesters
One Semester : 90 Working days

Accumulated minimum credits For successful completion of

the Program : 36 credits (31+5)

Research Methodology : 5 credits
General Core Course : 5 credits
Elective Course related to project work : 5 credits
Research Work (Internal Marks) : 6 credits
Project : 10 credits
Viva-voce : 5 credits

Total credits (Minimum): 36 Credits

The evaluation of a student on each course is based on **Continuous assessment** and **End-semester examination** with maximum marks 40 and 60 respectively for theory courses. 50 marks for Project Dissertation, 25 marks for viva-voce and 25 marks for internal. The passing minimum is 50% in aggregate with a minimum of 45% in the end semester examination.

The Dissertation / Project report must be submitted on or before 30<sup>th</sup> April of the concerned academic year. Those who are not able to submit the dissertation by 30<sup>th</sup> April of that academic year, an extension of two months shall be given with one time penalty of Rs.500/-. After that period, the penalty is Rs.150/- for every month. Attendance is compulsory and student may leave for field work/data collection on prior permission only.

Minimum attendance required: 75%

The Project work may be given to the candidate even at the beginning of the M. Phil. Program, so that the literature collection and methodology on the research problem could be completed in the first semester leaving enough time (the whole of second semester) for the research work. The course registration for dissertation shall be in the first semester itself and a separate registration form shall be used for Registration.

#### Mark Sheet

The CBCS Office under the Seal of the university shall issue to the students a mark sheet on completion of each semester.

Title of the Course

The credits associated with the course

The marks secured by the student for each course

The total credits earned by the student in that semester.

The total marks as weighted average in that semester.

The CBCS Office also shall issue to the students a consolidated mark statement with signature of the Controller of Examinations on successful completion of the course.

Title of the course

The credits associated with the course

The marks secured by the student for each course

The total credits earned by the student in all semesters

The total marks as cumulative weighted average and the class secured.

To arrive at the cumulative weighted average of marks, the total of the product of the credits assigned to each course and the percentage of marks secured in the course be obtained. This total is divided by the sum of the credits of all courses. On successful completion of the

M.Phil programme, candidate will be declared to have passed the examination in the following categories.

Distinction: 80% and above

I Class: 60% and above but below 80% II Class: 50% and above but below 60%

#### School/Department Council:

- Every P.G Program and M. Phil program conducted in the University shall be monitored by the School/Department Council. Subject to these regulations the School/Department Council shall be the authority to design courses and prescribe the mode of conduct of the courses, examinations and evaluation. Teachers declare the results and arrange to issue of mark statements. It shall be open to the Council to bring to the notice of the Vice-Chancellor any difficulty encountered in the conduct of the classes or evaluation or any other related matter.
- 2) Chairperson of the School shall be the Chairperson of the School/ Department Council. All other members of the faculty of the School shall be the members of the School/Department Council. If there is more than one PG course in the School, then the concerned Head of the Department shall be the Course Convener for the respective course. The course convener, in consultation with the faculty of the department, shall design courses, prescribe the mode of conducting courses, conduct examinations and evaluate the students and teachers. The School/Department Council shall be the authority to approve the course and to declare the results and arrange for the issue of statement of marks. However, the nomination of Course Convener will not be applicable in the case of Schools running common courses.

#### **Academic Committee**

- An Academic Committee is constituted by the Vice-Chancellor to monitor and coordinate the working of the Choice Based Credit System.
- 2) The committee consists of
  - a) The Vice-Chancellor
  - b) Three members of the Syndicate
  - c) Three Head of the Departments of the University other than the Syndicate members.
  - d) One Associate Professor and one Assistant Professor among the University teachers other than Syndicate members and Head of the Departments.
- 3) The Vice-Chancellor shall be the Chairman of the Committee.
- A senior member of the Syndicate nominated by the Vice-Chancellor from among the members of the committee shall be the Vice-Chairman of the committee.

#### Soft Skill, Skill based and Supportive course (SSS course):

**SSS courses** are meant to enhance the communication, personality and professional competency of each student. These courses are offered by competent Departments / Schools / Centres.

SSS courses will be of two levels (basic and advanced). Each student must take at least one **SSS course** in each semester. To opt for the advanced level SSS course, completion of same course at basic level is mandatory. A student cannot register for a SSS course offered by parent or closely related department/school/centre. The student can opt for SSS courses of category A or category B in any order (first or second year).

#### Soft skill course (category A):

The soft skill courses offered by various departments/schools/centres are listed below. Each student shall take two courses (one basic and one advanced) in category A. To opt for the advanced level SSS course, completion of same course at basic level is mandatory. A basic level course carries two credits and an advanced level course carries three credits. The student can register for any SSS course under category A, except SSS courses under category A, offered by parent or closely related department/school/centre, as indicated in the column "EXCLUDED" / Not eligible to opt.

#### Skill based / Supportive courses (category B):

The skill based / supportive courses offered by various departments/schools/centres are listed below. Each student shall take two courses (one basic and one advanced) in category B. A basic level course carries two credits and an advanced level course carries three credits. To opt for the advanced level SSS course, completion of same course at basic level is mandatory. The student can register for any SSS course under category B, except SSS courses under category B, offered by parent or closely related department/school/centre, as indicated in the column "EXCLUDED" / **Not eligible to opt**.
