

Intimation to the Candidates Qualified in the Entrance Test to Join Ph.D Programme

This is to inform that the candidates who have qualified in the Common Entrance Test will be called for to appear in the interview in the respective Departments of the University. At the time of interview, the Department Research Committee shall interact with the candidates and discuss their research interest/area. After completion of the interview, the University will issue the eligibility certificates for admission to the Ph.D program by integrating the entrance test marks and interview marks.

The qualified candidates will receive the schedule of the interview through their registered email. If the schedule is not received, the qualified candidates are informed to contact the concerned Chairperson / Head of the Departments of Madurai Kamaraj University.
