Re-Advertisement for the position of Junior Research Fellow

Advertisement: File No. CRG/2023/003985; Dated: 18.09.2025

Applications are invited for ONE position of **Junior Research Fellow (JRF)** for the ANUSANDHAN NATIONAL RESEARCH FOUNDATION (ANRF) sponsored project **“Analysis of *Cardamom mosaic virus* N1a protease mediated proteolysis of host proteins”**

The appointment is purely temporary and selection is based on merit.

Period: ~3 years.

Eligibility: Candidates possessing M.Sc. in Life Sciences, Biotechnology, Biochemistry, Microbiology, Plant Sciences, Botany with first-class with CSIR-UGC-NET/GATE will be preferred and considered for the selection of Junior Research Fellow (JRF). In the event of non-availability of a JRF, candidate without CSIR-UGC-NET/GATE will be considered as a Project Associate-I in accordance with ANRF norms.

Experiences in basic molecular biological techniques including Plant mRNA extraction, cDNA synthesis, cloning, Proteomics, Recombinant protein expression & purification, NGS data analysis and Computational biology is preferable.

Emolument: Rs. 37,000/- + 20% HRA for JRF and Rs. 30,000/- + 20% HRA for Project Associate I.

Interested candidates may apply with detailed bio-data (4 copies) duly supported by attested copies of mark statements, certificates, testimonials and publications should be sent to **Dr. T. Jebasingh**, Principal Investigator, ANRF Project, Department of Plant Sciences, School of Biological Sciences, Madurai Kamaraj University, Madurai-625021.

Mode of selection: Eligible candidates will be screened and called for entrance test and followed by an interview. Please note that no TA and DA will be paid for attending the interview.

Last date for the receipt of applications: 13.12.2025.
