MADURAI KAMARAJ UNIVERSITY DIRECTORATE OF DISTANCE EDUCATION DEPARTMENT OF MANAGEMENT STUDIES

Subject Wise Assignment Topics for 20CT Batch Students

M.B.A (Master of Business Administration)

Second Semester

Subject Wise Assignment Topics:

Sl .No	Subject Code and Name	Topics with choice	Last date For Submission
1	Human Resource	1. What is the role of human resource	
	Management	manager in an organization	
		2. Discuss types of Training.	
		3. Explain the Different steps involved in selection process.	
		4. What are the factors involved in pay	
		rate.	
		5. Discuss Collective bargaining.	
2	Marketing	1. Discuss Marketing in Globalized	
	Management	Environment	
		2. Explain Market Segmentation.	
		3. Explain Product life Cycle	
		4. Explain process of Market Research	
		5. Discuss Online Marketing	
3	Financial	1. Explain nature of capital Budgeting.	
	Management	2. Explain Cost of Capital.	

		3. Discuss Principles of Working	
		Capital.	
		Сарпат.	
		4. Briefly explain Indian Capital	
		Market.	
		5. Explain Forms of Dividends.	
4	Operations	1. Explain the historical development	
	Management	of production and operation	
		management and its future as a	
		function of management	
		S	
		2. Discuss the importance of facilities	
		location decision in operations	
		planning	
		2. Evaluin the avertification 1	
		3. Explain the qualitative and	
		quantitative methods of forecasting	
		4. What is the basic function of	
		Inventory? Explain EOQ and EBQ	
		models.	
		5. Explain PERT and CPM.	
5	Management	1. Explain roles of Information System	
	Information		
	System	2. Briefly explain Components of	
		Information System.	
		3. What are the Types of Human	
		Resource Information System	
		4. Describe the various approaches to	
		MIS development.	
		5. Explain the recent developments in	
		Information technology	
6	Research	1. Define Research. Explain the types	
	Methodology	of Research.	
	1.10thodology	or response	
		2. Explain the steps involved in	
		research process.	
		3. Explain methods of Data Collection.	

	4. Briefly explain Factor Analysis.	
	5. Discuss Report Writing.	

Subject Wise Assignment Topics for 20AT Batch Students

M.B.A (Master of Business Administration)

Third Semester

Subject Wise Assignment Topics:

Sl.No	Subject Code and Name	Topics with choice	Last date For Submission
1	Operations Research	1. Explain principles of duality.	
		2. Explain Transportation model.	
		3. Explain Methods of Matrices.	
		4. Explain Application of	
		Simulation Techniques for	
		Decision Making.	
		5. Explain Queuing Theory.	
2	Business	1. What are the different of	
	Environment	professionalism and family	
	and Law	management?	
		2. Describe the Indian political	
		philosophy towards business	
		enterprises	
		3. Explain the labour laws stock	
		exchange board of India act.	
		4. Write down the economic	
		Liberalization Privatization of	
		public sector units.	
		5. Explain the role of WTO	

		investment in R&D by Indian	
		companies.	
(Elective)	Marketing	1. Explain the marketing research	
	Research	as a tool of management.	
		2. Basic concept the types of	
MARKETING		Market research.	
(Group A)		3. Explain the various steps	
		involved in marketing research	
		process	
		4. Define sampling and	
		application of sampling method to	
		marketing problem.	
		5Explain Application of Market	{
		research	
	Product	1. Explain product life cycle	
	Management	2. Explain Elements of the	
		marketing mix.	
		3. Explain the new product Modification.	
		4. Define Business analysis.	
		Explain product development product testing.	
		product testing.	
		5. Explain Elements of Marketing	
		Mix.	
	Advertising	1. Explain nature and scope of	
	and Sales Promotion	Advertising.	
	2 I OMOTION	2. Define the advertising agency.	
		Write down the top ten	
		advertising agency.	
		3. Explain copywriting.	
		4. Briefly explain Advertising	
		Media.	
		5. Write the scope and importance	
	1	The state of the s	L

		of sales promotion.	
(Elective)		1. How to identify training needs	
, , ,	Training and Development	in Organization.	
	Bevelopment	2. Explain in brief 'On the job	
HUMAN		training methods.	
RESOURCE MANAGEMENT		3. Explain selection of trainees	
MANAGEMENT		and trainers.	
(Group B)		4 Evaloin Training Mathods for	
		4. Explain Training Methods for Different Levels of Employees.	
		5. Describe OD Approach in India	
	Organization Development	1. Explain the Need and concept of OD.	
	•		
		2. Write the process of OD	
		3. Describe the managerial Grid	
		management By Objective.	
		4. Explain the OD strategy at work and critical evaluation.	
		5. Discuss the techniques for successful OD effects future	
		prospects	
	Human	1. Explain Concept Of Human	
	Resource Accounting	Resource Accounting	
	recounting	2. Explain Cost Approach	
		Investment in Human Resource.	
		3. Explain Human Resource	
		Accounting India Scenario.	
		4. Explain Human Engineering	
		Process.	
		5. Explain Likerts Psychological Model.	
(Elective)	Management	1. Explain the international	

	of Financial	dimensions of financial market.	
FINANCE (Group C)	Institution	2.Explain role of financial institutions	
		3. Explain structure of IDBI, ICICI, IRBI, RCF,TIDCO,SIPCOT,SIDBI.	
		4.Explain function of insurance sector	
		5.present scenario mutual funds in India	
	International Trade Finance	1. Explain foreign transactions.	
	and Documentation	2. Explain various types of invoice	
		3. Explain letter of credits foreign bills exchange	
		4. Explain (FEDAI) Foreign exchange regulations act ,(FERA), Reserve bank of India	
		5.Explain international monetory fund special drawing rights devaluations and revaluation	
	Investment and Portfolio	1. Explain different factors favoring investment process.	
	Management	2. Explain derivation of capital market.	
		3. Explain objective of UTI, LIC,GIC.	
		4. Explain implications of risk return analysis.	
		5.Explain wealth maximization	
(Elective)	Total Quality	1. Explain about evolution of total	

PRODUCTION (Group D) 2. Write the Barriers to TQM implementations. 3. Describe Service Quality. 4. Explain Six Sigma. 5. What is the major step's of Benchmarking. Purchasing and Inventory Management 1. Explain the major objective of purchase policy 2. Write down the Classification of pricing. 3. Describe the Role of buyer and vendor. 4. Explain the Advantages of material information system 5. Describe Economic Ordering Quantity. Supply Chain Management 1. Explain Objectives of supply chain management. 2. Describe the importance of the inventory. 3. Explain the models for transportation and distribution. 4. Explain Benefits of ERP 5. Explain role of Supply Chain in e Business. (Elective) E- Commerce Technology 1. Discuss Technical and Financial aspects of E-		Management	quality management.		
implementations. 3. Describe Service Quality. 4. Explain Six Sigma. 5. What is the major step's of Benchmarking. Purchasing and Inventory Management 1. Explain the major objective of purchase policy 2. Write down the Classification of pricing. 3. Describe the Role of buyer and vendor. 4. Explain the Advantages of material information system 5. Describe Economic Ordering Quantity. Supply Chain Management Supply Chain in Explain Objectives of supply chain management. 2. Describe the importance of the inventory. 3. Explain the models for transportation and distribution. 4. Explain Benefits of ERP 5. Explain role of Supply Chain in e Business. (Elective) E- Commerce Technology 1. Discuss Technical and Financial aspects of E-		8			
3. Describe Service Quality. 4. Explain Six Sigma. 5. What is the major step's of Benchmarking. Purchasing and Inventory Management 1. Explain the major objective of purchase policy 2. Write down the Classification of pricing. 3. Describe the Role of buyer and vendor. 4. Explain the Advantages of material information system 5. Describe Economic Ordering Quantity. Supply Chain Management 1. Explain Objectives of supply chain management. 2. Describe the importance of the inventory. 3. Explain the models for transportation and distribution. 4. Explain Benefits of ERP 5. Explain role of Supply Chain in e Business. (Elective) E- Commerce Technology 1. Discuss Technical and Financial aspects of E-	PRODUCTION				
4. Explain Six Sigma. 5. What is the major step's of Benchmarking. 1. Explain the major objective of purchase policy 2. Write down the Classification of pricing. 3. Describe the Role of buyer and vendor. 4. Explain the Advantages of material information system 5. Describe Economic Ordering Quantity. Supply Chain Management 1. Explain Objectives of supply chain management. 2. Describe the importance of the inventory. 3. Explain the models for transportation and distribution. 4. Explain Benefits of ERP 5. Explain role of Supply Chain in e Business. (Elective) E- Commerce Technology 1. Discuss Technical and Financial aspects of E-	(Group D)		implementations.		
Purchasing and Inventory Management 1. Explain the major objective of purchase policy 2. Write down the Classification of pricing. 3. Describe the Role of buyer and vendor. 4. Explain the Advantages of material information system 5. Describe Economic Ordering Quantity. Supply Chain Management 1. Explain Objectives of supply chain management. 2. Describe the importance of the inventory. 3. Explain the models for transportation and distribution. 4. Explain Benefits of ERP 5. Explain role of Supply Chain in e Business. (Elective) E- Commerce Technology 1. Discuss Technical and Financial aspects of E-			3. Describe Service Quality.		
Benchmarking. Benchmarking.			4. Explain Six Sigma.		
Purchasing and Inventory Management Describe the Role of buyer and vendor.			5. What is the major step's of		
and Inventory Management 2. Write down the Classification of pricing. 3. Describe the Role of buyer and vendor. 4. Explain the Advantages of material information system 5. Describe Economic Ordering Quantity. Supply Chain Management 1. Explain Objectives of supply chain management. 2. Describe the importance of the inventory. 3. Explain the models for transportation and distribution. 4. Explain Benefits of ERP 5. Explain role of Supply Chain in e Business. (Elective) E- Commerce Technology 1. Discuss Technical and Financial aspects of E-			Benchmarking.		
and Inventory Management 2. Write down the Classification of pricing. 3. Describe the Role of buyer and vendor. 4. Explain the Advantages of material information system 5. Describe Economic Ordering Quantity. Supply Chain Management 1. Explain Objectives of supply chain management. 2. Describe the importance of the inventory. 3. Explain the models for transportation and distribution. 4. Explain Benefits of ERP 5. Explain role of Supply Chain in e Business. (Elective) E- Commerce Technology 1. Discuss Technical and Financial aspects of E-					
Management 2. Write down the Classification of pricing. 3. Describe the Role of buyer and vendor. 4. Explain the Advantages of material information system 5. Describe Economic Ordering Quantity. Explain role of Supply Chain in e Business. (Elective) E- Commerce Technology 1. Discuss Technical and Financial aspects of E-		Management	2. Write down the Classification		
vendor. 4.Explain the Advantages of material information system 5. Describe Economic Ordering Quantity. Supply Chain Management 1. Explain Objectives of supply chain management. 2. Describe the importance of the inventory. 3. Explain the models for transportation and distribution. 4.Explain Benefits of ERP 5. Explain role of Supply Chain in e Business. (Elective) E- Commerce Technology 1. Discuss Technical and Financial aspects of E-			of pricing.		
4.Explain the Advantages of material information system 5. Describe Economic Ordering Quantity. Supply Chain Management 1. Explain Objectives of supply chain management. 2. Describe the importance of the inventory. 3. Explain the models for transportation and distribution. 4.Explain Benefits of ERP 5. Explain role of Supply Chain in e Business. (Elective) E- Commerce Technology 1. Discuss Technical and Financial aspects of E-			3. Describe the Role of buyer and		
material information system 5. Describe Economic Ordering Quantity. Supply Chain Management 1. Explain Objectives of supply chain management. 2. Describe the importance of the inventory. 3. Explain the models for transportation and distribution. 4. Explain Benefits of ERP 5. Explain role of Supply Chain in e Business. (Elective) E- Commerce Technology I. Discuss Technical and Financial aspects of E-			vendor.		
5. Describe Economic Ordering Quantity. Supply Chain Management 1. Explain Objectives of supply chain management. 2. Describe the importance of the inventory. 3. Explain the models for transportation and distribution. 4. Explain Benefits of ERP 5. Explain role of Supply Chain in e Business. (Elective) E- Commerce Technology 1. Discuss Technical and Financial aspects of E-			4.Explain the Advantages of		
Quantity. Supply Chain Management 1. Explain Objectives of supply chain management. 2. Describe the importance of the inventory. 3. Explain the models for transportation and distribution. 4. Explain Benefits of ERP 5. Explain role of Supply Chain in e Business. (Elective) E- Commerce Technology 1. Discuss Technical and Financial aspects of E-			material information system		
Supply Chain Management 1. Explain Objectives of supply chain management. 2. Describe the importance of the inventory. 3. Explain the models for transportation and distribution. 4. Explain Benefits of ERP 5. Explain role of Supply Chain in e Business. (Elective) E- Commerce Technology The supplement of Supply Chain in the Business of E- 1. Discuss Technical and Financial aspects of E-			5. Describe Economic Ordering		
Chain management. 2. Describe the importance of the inventory. 3. Explain the models for transportation and distribution. 4. Explain Benefits of ERP 5. Explain role of Supply Chain in e Business. (Elective) E- Commerce Technology 1. Discuss Technical and Financial aspects of E-			Quantity.		
2. Describe the importance of the inventory. 3. Explain the models for transportation and distribution. 4. Explain Benefits of ERP 5. Explain role of Supply Chain in e Business. (Elective) E- Commerce Technology 1. Discuss Technical and Financial aspects of E-		Supply Chain	1. Explain Objectives of supply		
inventory. 3. Explain the models for transportation and distribution. 4. Explain Benefits of ERP 5. Explain role of Supply Chain in e Business. (Elective) E- Commerce Technology Technology 1. Discuss Technical and Financial aspects of E-		Management	chain management.		
3. Explain the models for transportation and distribution. 4. Explain Benefits of ERP 5. Explain role of Supply Chain in e Business. (Elective) E- Commerce Technology Technology 1. Discuss Technical and Financial aspects of E-			2. Describe the importance of the		
transportation and distribution. 4.Explain Benefits of ERP 5. Explain role of Supply Chain in e Business. (Elective) E- Commerce Technology Financial aspects of E-			inventory.		
4.Explain Benefits of ERP 5. Explain role of Supply Chain in e Business. (Elective) E- Commerce Technology Financial aspects of E-			3. Explain the models for		
5. Explain role of Supply Chain in e Business. (Elective) E- Commerce Technology Financial aspects of E-			transportation and distribution.		
(Elective) E- Commerce Technology Financial aspects of E-			4.Explain Benefits of ERP		
(Elective) E- Commerce 1. Discuss Technical and Financial aspects of E-			5. Explain role of Supply Chain in		
Technology Financial aspects of E-					
1	(Elective)		1. Discuss Technical and		
l and l c		Technology and	<u>^</u>		
Management Commerce.			Commerce.		
2. Explain Intranet and Extranet.			2. Explain Intranet and Extranet.		

SYSTEM (Group E)		 Discuss Different between hardware and software. Explain Characteristics of the payment system. Describe the privacy issues in E-commerce. 	
	Data Base Management System	What are the advantages and importance of DBMS? Explain ER Diagram. write down the client server architecture based RDBMS Describe Concept of Distributed databases. Explain overview of visual database.	
	Software Development	 Describe the overview of the software development life cycle? Explain formal specification and prototyping specification. Define software design. write down the software configuration management Describe the reliability models for software quality and software maintenance 	

Instructions:

- Each Paper has Two Assignment Topics.
- Both the Assignment Topics are Compulsory
- Each Topic Carries 12.5 Marks
- Pages: Minimum 6 Maximum 10
- Date for Submission: 15th November 2020
- Front Page of the each Assignment should contain the following details

- (i) Name
- (ii)Enrolment Number
- (iii) Semester
- (iv) Assignment Number and Title of the Assignment
- (v) Date
 - All the Assignments should be tied together.
 - Assignments should be **submitted to**

The Head (i/c),
