

PG DIPLOMA IN INDUSTRIAL MICROBIOLOGY

Eligibility for Admission

- Bachelors degree in Zoology, Botany, Chemistry, Biochemistry, Microbiology Biotechnology / Environmental / Animal / Plant / Food Sciences, Dietetics & Nutrition, Bioinformatics, BE in Chemical Engineering & Biotechnology; B.Tech. in Biotechnology & Bioinformatics / Nanotechnology; BDS; MBBS; B.Sc. in Agri /Agri Biotechnology ; B.V.Sc., B.F.Sc., B.Pharm. and BPT.

Course Duration:

1 Year – (Non-Semester System)

COURSE : PG Diploma In Industrial Microbiology		
MEDIUM : English		
COURSE CODE : 4039		
S.NO	PAPER NAME	EXAMINATION CODE
1	Fundamentals of Microbiology	GIMB01
2	Microbial Technology	GIMB02
3	Microbial Fermentation Technology	GIMB03
4	Industrial Microbiology	GIMB04
5	Practical - I General Microbiology	GIMBL1
6	Practical – II Industrial Microbiology	GIMBL2

Scheme of Examination

Duration – 3 Hrs, Max. Marks – 100, Passing Min.- 35 Marks
