Skill Development Course

Sponsored by
SPD-RUSA

Skill Development Training Programme
on
Producing Value-Added Products by Using Solar Technologies
26th, 28th and 29th of August, 2025

Convener

Dr. S. Kannan
Professor, Head and Chairperson
Department of Solar Energy
School of Energy, Environment and Natural Resources

Programme Highlights:

- ✓ Hands-on training in solar dryer operation and value-added product preparation.
- ✓ Practical exposure to solar thermal drying techniques for fruits, vegetables, and spices.
- ✓ Sustainable solutions to reduce post-harvest losses and enhance product shelf life.
- ✓ Skill-building for rural entrepreneurship and small-scale agri-business ventures.
- ✓ Career insights into food processing, renewable energy applications, and green enterprise development.

Who can apply?

- PG students, Research Scholars, Postdoctoral fellow and Research Scientist

Note:

- There is no fee for registration.
- Certificates will be issued to all registered participants.

Venue: Seminar Hall, School of Energy Sciences

Date : 26th, 28th and 29th of August, 2025
