Create a hyper link of National Academic Depository (NAD) URL i.e. http://www.nad.gov.in in their respective website.

- A separate web pages detailing information about NAD services, NAD initiative taken by MKU user manuals, useful web links including http://www.nad.gov.in   is planned, we hope to launch the web page in university website soon.

Add a compulsory field/column of named "NAD" in both online and offline Admission / Examination form.

- The files have already have been moved and the decision is to be taken shortly about including, a compulsory field / column on NAD in both online and offline admission, examination registration and certificate application forms .

University shall provide a unique ID to students which will be NAD ID of student so that awards can be mapped with students' account.

- University lodges certificates using the examination registration number of the students. As per the present arrangement uniquely structured NAD id is generated by the depository (CVL) at the time of the registration process. Mapping is done using the NAD ids submitted by the students from the affiliated colleges to NAD cell of MKU.

Create awareness about NAD among the students through notices, events, lectures, etc., emphasizing how they can avail the facilities like access, verification, and authentication of its own awards in a digital format.

- NAD cell organised deliberation meetings with Principals of affiliated colleges. The principals are appraised about the importance and the advantages of NAD initiative on those occasions.
- To carry out the NAD activities, college level NAD officer are identified at the affiliated institutions. At present MKU has 78 college level NAD Nodal Officers on roll. The College level NAD Nodal Officers were given training regarding various registrations to be done with the NAD portal.
- NAD cell support and monitor the student NAD id registration at the affiliated colleges since 2018.
- We organised two workshop cum training programmes for the university nodal officers and section heads.
- Further, we organised special sessions at two affiliated colleges during February 2019 and gave awareness to Department Heads at those colleges.
- The special meeting was organized and provided awareness cum short technical program on 22nd March 2019.
- To create awareness about NAD among the students, a web page is planned in the university website. We hope to place notice, communication and other promotional materials in the university NAD web Page. Web links of NAD videos are to be included in the web page.
