Madurai Kamaraj University
School of Energy, Environment and Natural Resources

Year of Academic and Administrative Audit (AAA): 2018-19

S.No.	Criterion	Recommendation/Suggestion on by External Experts	Action Taken Report
1.	Curriculum	Current environmental issues and problems are updated in the design of the syllabus of disaster management, SCUBA diving, solid waste water management, marine microplastics	The courses were updated and revised as per the norms following the Bloom Taxonomy.
2.	Teaching, Learning & Evaluation	CBCS syllabus in followed ICT based teaching, field visit, industrial visit are incorporated. Academic autonomy is practiced the results are declared within a week.	The teachers were following the ICT enabled teaching. The students were taken to field and industrial visits regularly. The results were published as per the norms of the University.
3.	Research, Consultancy & Extension	Extramural research funding is very good; consultancy in biodiversity; GIZ, Germany; solar devices testing and certification (BIS & NABL) are undertaken. Research publications are very good. Ph.D output is good. Environmental awareness, Beach cleaning and village adoption programmes are adopted.	The teaching faculty of the school got sanctioned research projects, consultancy project from various funding agencies and other companies. The research articles were published in referred journals with high impact factors. Regularly the extension activities like environmental awareness and, beach clean-up programmes were undertaken. School has adopted a village, Vellaiparaipatti village under village adoption programme.
4.	Infrastructure & Learning Resources	Library and laboratory facilities are good. Wi-fi access to all students and scholars available. INFLIB NET for access the journals also available. Research facilities extended for outside students. Students are 'encouraged to take up summer internship from other institutions.	The students and research scholars were utilizing the wi-fi, internet and e-journals for their academic and research activities from the university and school libraries.
5.	Student Support & Progression	Student redressal committee is practiced. Students are motivated for competitive exams. DST-PURSE, UGC-BSR Fellowships, Non-NET Fellowship and USRF are offered.	The students were joined as BSR fellow sanctioned by the UGC. The students were also availed the non-net fellowships given by the University. Also the scholars selected through DST-PURSE programme were undertaking their research in this school.

6.	Governance, Leadership & Management	School autonomy for both academic and finance practiced well.	The teaching faculty were utilizing the School autonomy for operating their research projects and for other academic activities.
7.	Innovation and Best Practices	Inter and Multi disciplinary approach followed in the environment and energy related problems.	The school has provided inter and multi-disciplinary research programmes such as Solar Thermal devices and their applications; biomass gasification with different feed stocks; underwater SCUBA diving techniques; Sub-Aqua Marine Ecology and Marine Environmental Monitoring studies to their students and research scholars.

Year of Academic and Administrative Audit (AAA): 2018-2019

S. No	Criterion	Recommendation/Suggestion by External Experts	Action Taken Report
1	Curricular Aspects	OBE based Curriculum	Adopted Bloom's Taxonomy
2	Teaching Learning & Evaluation	Introduce Modern Teaching Technology	Teachers of the school are using the modern interactive boards effectively.
3	Research Consultancy and Extension	MOUs Research Papers Publication	Steps would be taken to engage MOUs. Steps would be taken to improve the research papers publications.
4	Infrastructure And Learning Resources	No Suggestion	Having enough space and Learning resources.
5	Student Support and Progression	Admission of Number of Students	Steps would be taken to improve the number of students' admission.
6	Governance Leadership and Management	No Suggestion	With the support of the university authorities the school functions delightedly.
7	Innovations And Best Practices	Green Audit	Request has been forwarded to the concern authorities of the university.

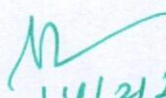

Name of the School: School of Indian Languages

Year of Academic and Administrative Audit (AAA): 2018-2019

S. No	Criterion	Recommendation/Suggestion by External Experts	Action Taken Report
1	Curricular Aspects	The curriculum was re-vamped from 2018 onwards which shows innovations like research based courses like research basics (Philosophy, Linguistics, Literature, confident way of learning Sanskrit grammar, Malayalam Computing, Film Studies, Environmental Aesthetics, Background and Influence of Kannada Literature, Computing Telugu and Mass Media studies in Telugu etc)	Curriculum revised
2	Teaching Learning & Evaluation	The process of Teaching and learning is really appreciable because it is based on new methods of teaching and learning, including ICT. The process of Evaluation is also admirable because students are also involved in evaluating the methods of teaching and the course content. Then, feedbacks are also collected from the students.	Action is taken to enrich more E contents
3	Research Consultancy and Extension	Research activities are successfully carried out with different dimensions. All the research guides have maximum number of researchers under them with innovative research topics. Professors and researchers, both are participating in different research activities in and out the school, like participating in School research seminars, National and International seminars and conferences organized by other schools and institutions. Unique feature of the school is to take part in special way of consultancy and extension in the form of translating FIRs, different government certificates like Birth certificate, Death certificate, Ration card, Voter I-D card, and different affidavits issued by the Judicial authorities. Faculties are appearing in the Court trials for translating different statements and	More initiation has been taken to give importance for research projects and consultancy

		<p>arguments of the accused, witnesses and advocates in live form.</p> <p>Faculties of the school are extending their expertise to serve the causes of the common people in the respective fields. Some of the dimensions of their extension activities are: guiding the local people involved in supporting public in their spiritual and religious aspects of life with correct and appropriate use of Sanskrit phonetics and literature. School has adopted a Village i.e., Nagamalaipuram and planting trees and creating awareness for sanitation</p>	
4	Infrastructure And Learning Resources	<p>Each dept must have two smart class rooms instead of one so that both PG classes be taught with ITC supported teaching and learning.</p> <p>Seminar Hall of the school must be equipped and well-furnished.</p>	Representation is given for basic infrastructures of school
5	Student Support and Progression	<p>Students of Kannada dept are supported by Karnataka Government with sufficient financial assistance.</p> <p>The University must support the students of other remaining departments as well, because lack of financial support impacts the enrollments badly.</p> <p>No one passed out of the school is unemployed.</p>	Steps are taken to initiate students for fellowships from various funding agencies
6	Governance Leadership and Management	<p>The school is being governed well under the leadership of the able chairperson and Heads of the departments with the help of tireless and expert teaching staff and the non-teaching as well.</p>	Suggested for administration automation
7	Innovations And Best Practices	<p>The school has dynamic teaching staff that provides the students with quiet innovative courses offered, like Sanskrit Research Basics – I (Philosophy), Sanskrit Research Basics – II (Phonetics and Linguistics), Sanskrit Research Basics – III (Vedic Studies), Sanskrit Research Basics – IV (Literature), Structure of Sanskrit: Theory and Application, New Way to Learn Sandhi, Sanskrit Poetical Styles, Sanskrit Esoteric Tradition of</p>	More E books, Materials are introduced
