Sir,

Sub: Total e-Governance – implementation – requested – reg.

Ref; IQAC quality Initiatives for the year – 2017.

In order to promote the paperless administration and speedy implementation of various functions of the University we need to take steps to create total automation of administrative sections. With reference to the above subject, IQAC recommends to do the needful to introduce e-Governance in different administrative section: (i) Research Section (ii) Admission Cell; (iii) Finance Section; (iv) Library and (v) CBCS.

Online process in highly essential to Co-ordinate various functions of the University. This is very much useful for NIRF data collection and overall administration.

Thanking you.

Yours faithfully,

Director, IQAC
