Sir,

Sub: Initiate Learning Management System – requested – reg.
Ref; IQAC quality Initiatives for the year – 2019.

In today's world with modern technology and digitalization, it is essential to provide a platform for the stakeholders of the University to access the various facilities available beyond the horizons of Time and space. This will be enabled through a Learning Management System, which will bridge the faculties and students with the University. Hence request you to initiate an efficient Learning Management System (LMS).

Thanking you,

Yours faithfully,

Director, IQAC
