DST-DAAD Project-Based Personnel Exchange Programme-2019

MXene Nanocomposites for Solid State Supercapacitors, Hybrid-capacitors and Batteries

UNIVERSITÄT
BAYREUTH

Indian Project Leader

&

German Project Leader

Dr. Sujin P. Jose
School of Physics
Madurai Kamaraj University
Madurai – 625021
Tamil Nadu, INDIA

Dr. Mukundan Thelakkat
Applied Functional Polymers
University of Bayreuth
95440 Bayreuth
Germany

The Department of Science and Technology (DST, India) and the DAAD (Germany) are funding the joint project.

PROJECT PARTICIPANTS

GERMANY: University of Bayreuth

Prof. Dr. Mukundan Thelakkat, Bayreuth Universitatstr.30 95440 BAYREUTH

Alexander Krimalowski, Research Fellow, University of Bayreuth, Germany.

INDIA: Madurai Kamaraj University

Dr. Sujin P. Jose, School of Physics, Madurai Kamaraj University

J. Vigneshwaran, Research Fellow, School of Physics, Madurai Kamaraj University

T. Prasankumar, Research Fellow, School of Physics, Madurai Kamaraj University
