

PHYSICS TRAINING AND TALENT SEARCH MINI-PTTS 2022

IF YOU ARE A M.Sc. (PHYSICS)- II YEAR STUDENT INTERESTED IN PURSUING RESEARCH, THEN THIS IS A PROGRAM FOR YOU!

There will be a 5-day Physics Training and Talent Search (PTTS) program, with emphasis on active learning for students from Tamil Nadu. Priority will be given to students from colleges in and around Madurai.

PROGRAMME DETAILS

For whom:	M.Sc (Physics) -II year students
Number of participants:	40
Venue:	School of Physics, Madurai Kamaraj University.
Dates:	07 (Wednesday) – 11 (Sunday) December 2022
Subject:	Quantum Mechanics and Experimental Physics

HOW TO APPLY

- 1) Register by filling up the form shorturl.at/btNQ0 on or before, **25-11-2022 (Friday)**.
- 2) Shortlisted applicants will receive a link to a Google form containing multiple choice questions on basics of quantum mechanics by email on **27-11-2022, Sunday, at 11 am**, which should be submitted in **30 minutes**.

SELECTION DETAILS

It will be based on the academic performance and performance in the online test.

Outstation participants will be provided local hospitality, but not travel expenses. Successfully completed participants will receive certificates. There is **no registration fee**. Further details of the program will be informed to only selected candidates.

For further details contact the Local Coordinator:

A. Basherrudin Mahmud Ahmed, School of Physics, Madurai Kamaraj University,
Madurai - 625 021. Mobile: **+91 96001 51764** Email id: **abmahmed@gmail.com**

This program is funded by the Infosys Science Foundation, through Physics Training and Talent Search (PTTS)-22 hosted by Ahmedabad University.
