UGC-STRIDE-IRCECCB

2ND SKILL DEVELOPMENT PROGRAMME on

"Human Impacts on Environment"

22nd - 31st August, 2022

UGC - STRIDE - Integrated Resource Centre for Environment, Climate Change and Biodiversity (IRCECCB), Madurai Kamaraj University invites applications from post-graduates (completed), research scholars, post-docs, young faculty members and scientists (from various disciplines of Life Sciences/ Energy/ Physics/ Communication/ Cultural Studies) of Indian Universities/Colleges/Research Institutes for the forthcoming 2nd Skill Development Programme on "Human Impacts on Environment" to be held during 22nd - 31st August, 2022.

Over the past decades, our earth faces several environmental issues notably globalization, overpopulation, ecosystem modifications, land-use and land-change patterns, biological invasions and over-exploitation of biodiversity. The effects of these issues have already affected the biodiversity, climate and the livelihood of millions of people nationwide. To mitigate the impacts, capacity building in these areas is immensely important.

This skill development programme (in-person mode) will provide technical guidance for the participants to acquire skills for carrying out research in the key impacts of human on environment. This programme includes hands-on training on advanced techniques, data analysis and lectures delivered by National and International experts on the focal themes.

Interested candidates are requested to fill the 'Registration form' given in the link: <https://forms.gle/WrEBfsQFa7UsJGPh8> on or before 15th August, 2022. The selected candidates will be informed through e-mail on 17th August, 2022. There is 'no course fee' to attend the programme. Food and accommodation will be provided at University campus without any charges for the entire programme. TA/DA will be provided as per University norms. Certificate will be provided upon successful completion of the programme.
