

PLACEMENT CELL

INTRODUCTION:

Madurai Kamaraj University, Madurai Placement Cell has been created in the home page of the website (www.mkuuniversity.org) in the year 2007 to initiate the placement activities and induce the interested companies to conduct the recruitment drive / campus placement.

Incidentally, the UGC wide its letter F. No. 12-1/2013 (NSQF) dated on 19th December 2014, made it mandatory for all the universities to establish a separate placement cell for strengthening the industry academia linkage and the counseling to the student community using the services of National Skill Development Corporation (NSDC). Based on the recommendations of the UGC, a separate placement cell with required infrastructure has been created in the year April 2014.

VISION:

- To bridge the gap among MKU student's knowledge and the company needs by inculcating the proficient resources and opportunities to prosper the student's career.

MISSION

- The Placement Cell, Madurai Kamaraj University, Madurai works towards achieving 100% placements by inviting top corporate companies for Campus-Recruitment process.
- The Placement Cell, Madurai Kamaraj University, Madurai organizes various pre-placement training programme, workshops, seminars, industry expert interactions, conferences, industry collaborations, online training for development the students towards industrial needs.
- The Placement Cell, Madurai Kamaraj University, Madurai arranges the industry visits regularly for the students to know the enhancement technology and industrial practices to fit the students for the industry.
